

City of Twin Falls

Transportation Master Plan

Interview / Comment Form #1

The City of Twin Falls is developing a transportation plan over the next 10 months, to identify needed facility improvements to meet the community's multi-modal transportation needs for the next 20 years. Your initial comments will help identify key issues and concerns to be addressed in the plan.

1. **Name** _____ **Organization** _____
Mailing Address _____ **Phone** _____
E Mail Address _____

2. **Key Issues:** What are the key issues or problem areas (not solutions) that should be addressed as part of the Twin Falls Transportation Plan? For example: specific safety concerns and issues, pedestrian access and connections, business / property access, parking, maintenance, congestion / delay, etc. (Please rank in order of importance, with 1 as most important, 2 next most important, etc.)

Priority	Specific Issue	Location
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

3. **Most Important Improvements:** What are the most important specific improvements that should be made to Twin Falls transportation facilities?

1. _____
2. _____
3. _____
4. _____
5. _____

4. **Plans and Projects:** What specific plans or projects should be considered in planning for Twin Falls future transportation facilities?

5. **Mailing List:** A mailing list is being developed for distribution of project information, notice of meetings, etc. Please provide the name, address, etc. of anyone you would like added to the list.

Name _____ Phone _____

Mailing / E mail Address _____ / _____
